

# ASHISH JAUHRI

## Managing Principal

Ashish spearheads Urban Frame as Managing Principal and brings to the table 20 years of rich and varied experience that spans between Europe, Singapore and India.

He has worked on projects ranging from Master planning, Mixed-use, Hospitality, Commercial, Institutional, Residential and Infrastructure on a global platform. He has also been associated on various projects with several International consulting organizations.

He started his career in 1998 at New Delhi and moved to Singapore in 2000 to pursue postgraduate degree in Project Management at The National University of Singapore. During his stint at Singapore, he won various design competitions while working with Architects Team 3 and 3HP Architects.

In 2006, he moved to Europe to join the award winning practice of Scott Tallon Walker Architects (STW) at their headquarters in Dublin, Ireland to work upon Point Village Town Centre project comprising of a tall residential tower, office building, 250 bed hotel and a shopping complex. After completing the project, Ashish moved back to India in 2011 and has since been a consultant to a few Foreign missions in India, namely the French & Belgium government, for prestigious diplomatic mission projects.

He also led the Delhi-NCR office of RSP Design Consultants as Associate Director for 2 years. The last 5 years at DSP, Ashish had been working on Master Planning & Architecture Design of large Residential, Commercial, Educational and Hospitality projects including Mixed Use for many prominent clients across many Indian cities, including Mumbai, New Delhi, Bangalore, Hyderabad and Pune.

He has won many design competitions including Budget Terminal and Airport project at Singapore, 100 Acres masterplan at Bangalore, B R Ambedkar School of Economics and Babu Jagjivan Ram Convention Centre at Bangalore. He has a keen interest and an eye for shaping socially, economically and environmentally sustainable developments and future ready work spaces.
